Messy anime

Creation and writing TAKARA CO., LTD 1997. TAKARA

I can't put it in my mouth

▲Caution

Please read this for parents and guardians

- There is a risk of choking. Never put small parts in your mouth.
- Do not give to children under 3 years old as there is a risk of accidental ingestion.
- Button batteries are dangerous if swallowed. Keep them out of the reach of children.
- If swallowed, consult a doctor immediately.
- Button battery replacement ●Parents should replace the button battery.

If the battery is misused, it may overheat, explode, or leak. Please take note of the following:

- Just make sure to set ④ (plus and minus) correctly.
- ●Do not short circuit, charge, disassemble, heat, or place in fire.
- If any liquid leaking from the battery gets into your eyes, immediately wash them with plenty of water and consult a doctor.
- If it gets on your skin or clothes, wash it off with water.

211.0 KG

Good child ○○○○● good luck

The more शुरु, the better.

Happy XXX Happy degree

The more ●'s there are, the happier I am.

Stomach ○○○○●● Hunger

The more, the fuller I am.

smell ●○○ odor level

The more ● there are, the smellier it is.

meal

Use
the ●● button to choose between
"fish" or "candy" and press the B button to confirm.
Be careful, if you give them too much candy,
they'll
become selfish and picky.

game

A cat riding on a ball appears,
Use the
button to balance the cat so that it doesn't fall
off the ball. Success ے If you succeed, your happiness
love will increase! It's
also a good way to lose
weight.

bath

When the odor points increase, give
your pet a bath.

Chusha
injection

Pyōki
If they get sick, treat them until they get
better. Be careful not
to give them injections when they're not
sick, as this can make them angry.

good night

Night:
Please let him sleep at 9:00 p.m. If he stays
up late, he'll
lose weight. Double: Select and confirm
the mark again to wake him up.
Midnight: (During the sleep mode, you can only
make decisions
about the cat check and the
clock display.

I wake up alone at 7am.

Discipline

If your dog gets naughty and
mischievous, you have to punish it. If you think that punishment
is cruel, you can also groom it! If you discipline
your dog when it's not naughty, it will get angry!

grooming

Be sure to take good care of yourself.
Good boy points up!

WC toilet

Please flush the toilet properly after your
baby poops.

Communication

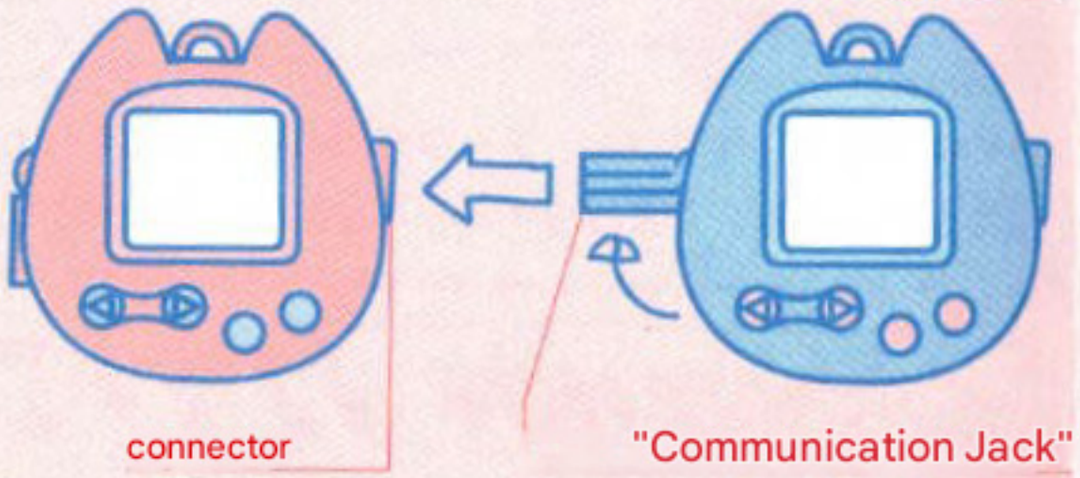
When your cat turns 7 years old, it will be a grown-up cat.

You can communicate with your cat friends and create cute kittens.

Pull out the communication jack① and plug it into your friend's connector.

②" and have both players press the B button at the same time.

Ok, it doesn't matter which one you plug in!



Whether or not twin kittens are born depends on how you raise them! You might even end up with twin kittens (one for you and one for your friend).

Success ●Key points for successful communication

You need to get your male cat (8) and female cat (♀) to communicate with each other.

Yes, if you don't grow up well, you won't have any kittens. If you don't have any, just give them more love and you'll have some cute kittens!
